

The Iris Society of Dallas 2015 Iris Garden Tours

Dear Iris Lover,

The Iris Society of Dallas members are hosting two days of garden tours next month. Our members were so busy planning for the 2013 and 2014 AIS National Conventions that most of us did not get to see the tour gardens. So, we are going to take a post-convention tour to the iris gardens.

On Tuesday, April 21st we will travel from Dallas to Tom Burseen's garden in Grand Prairie then on to The Carver's Garden in Weatherford. Next will be the Clark Gardens in Mineral Wells. We will finish the tours at the Nichols' Northaven Garden. There will be a 1 hour Judges' Training at the Nichols' garden.

On Wednesday, April 22nd we will travel north to Woody Keas' garden then to Judy Schneider's garden. Coming back toward Dallas we will see Dell Perry's garden in Plano and the Reed garden in Farmers Branch.

Lunch will be provided both days. We have 17 seats left. If you would like to travel with us to the iris gardens the cost is \$65.00 for both days. We will have breakfast snacks, water, and soft drinks on the bus.

If you are interested in traveling with us, please send your check to: Bonnie J Nichols 3365 Northaven Road Dallas Texas 75229. Please email: bjnhtn@aol.com to let me know that a check is on the way so I can reserve the seat. Please make the check payable to: The Iris Society of Dallas. **No one can follow the bus. Please honor this. It is not safe to follow the bus.**
